Rupesh Gampa

Student at Avanthi Institute of engineering and technology

As a motivated and detail-oriented individual, I am seeking an internship opportunity to gain practical experience in your company. With a solid academic background in engineering. I am eager to apply my theoretical knowledge to real-world projects and learn from experienced professionals. I am a quick learner and team player, and I am confident that my strong communication and problem-solving skills will enable me to make valuable contributions to your organization.
